ABSTRACT

This document presents data on personnel in New Hampshire public libraries in 1998. Libraries are arranged by town in alphabetical order and by the following ranges of population served: 30,001 and over, 18,001-30,000, 12,001-18,000, 9,001=12,000, 6,001-9,000, 3,001-6,000, 1,001-3,000, and under 1,000. The following data are provided for each library: position(s); annual salary; hourly wage; MLS (Master of Library Science); non-MLS; social security; health insurance; dental insurance; annual leave; sick leave; and other. (MES)

Reproductions supplied by EDRS are the best that can be made

Public Libraries - 1,001 - 3,000 Population 195

Public Libraries - Under 1,000 Population 231

INTRODUCTION

Due to the continued demand from public library administrators and library trustees for information about librarian and staff salaries, wages, and benefits, the N.H. State Library decided to begin publishing the results from its annual Personnel Data Survey.

Information on salaries, wages, and benefits has been collected along with other library statistical data by the New Hampshire State Library under NH RSA 202-A:12 Annual Reports. Under New Hampshire's Right-to-Know Law, RSA 91-A, salaries and employment contracts of public employees are considered public records.

Data reported by position in this publication are arranged by town in alphabetical order, and by range of population served. All data received as of May 15, 1998 are included. The objective of this current survey is to provide a general overview of how library personnel were compensated in 1998.

Public Libraries
Personnel Data Sheet 1998
April 2000

Public Libraries in Alphabetical Order

The following libraries did not provide any information:

Bremer Pond Memorial Library, Pittsfield - Town Population: 911; Library Yearly Hours: 1,484
